PRIZE PRODUCE COMPETITION

We are calling all Green Thumbs for the Willistown Township Prize Produce Competition! Got cabbage the size of a toddler? Dig your carrots with a forklift? Can you see your reflection in a Big Daddy tomato –

or does the tomato look like you?

Our Prize Produce Competition will determine which gardener grew the largest, most interesting (and perhaps puzzling) fruits and vegetables in Willistown Township in 2010. Bring your colossal and colorful produce to the registration table from 5–6 PM to enter. Prizes and ribbons, along with bragging rights, will be awarded to the winning gardeners at 7 PM at the gazebo.

Greentree Park is located at 21 Grubb Road, Malvern, PA 19355
On the corner of Woodland Avenue and Grubb Road in northern
Willistown. Hosted by Willistown Parks and Recreation:

Rain Date – August 26th 5:30-7:30 pm

Please, no dogs in the park.
