Enjoy a fall family afternoon - come play, discover and celebrate this great season!

Willistown Township's Sugartown Exploration Garden is a community garden maintained and operated by Willistown Township and a great team of volunteers. The purpose of the garden is to involve the community through joyful hands-on experiences that inspire wellness and a greater connection to the earth.

- Discuss the idea of community garden beds at Sugartown – are you interested in some gardening space? We are growing food and fun and you can too!
- Garden crafts for kids
- Garden workshops including:
 - “Lasagna” gardening
 - Developing compost systems

For inquiries or rain date information, call 610-574-6309.

Willistown Township's Sugartown Exploration Garden is located at 260 Spring Road, Malvern, 50 yards east of the intersection at Sugartown Road. Parking will be in the field adjacent to the garden. Please follow the signs.

Hosted by Willistown Township and the
Sugartown Exploration Garden
Event Committee.

Come in your garden play attire.

We look forward to seeing you in the garden!
